

PL100

100' Photoluminescent Exit Sign

The PL Photoluminescent exit signs offer a 100-foot rated viewing distance and are approved for outdoor and wet locations, now listed for use with LED lighting. The unique raised letter design maximizes surface area for energy absorption, ensuring long-lasting visibility with a 25+ year lifespan. Designed with sustainability in mind, the PL Series is recyclable at the end of its life. Compliant with the 2009 IBC and IFC, these signs meet the growing code requirements for photoluminescent egress marking systems.

CONSTRUCTION

- Approved for outdoor/wet locations and suitable for use in hazardous locations with 100 foot rated viewing distance
- Ideal for large open areas such as large retail stores, long corridors, schools, office buildings, and many other installations
- Signs can be easily relocated in the event of building renovations or changes in the designated path of egress
- Thin, low profile "architectural style" construction
- Single or Double face models are available and a mounting bracket is included for end or ceiling mount applications
- Universal field applied chevron directional indicators are included with each sign
- Durable ABS panel available in Red, Green or Black background with Photo luminescent letters
- 7" high letters with a 7/8" stroke, unique raised letter design provides more surface area to absorb the light source energy resulting in greater visibility and contrast
- Operating temperatures are -20°F to 150°F

ELECTRICAL

- No electrical wiring or batteries reduces installation and maintenance (zero) costs
- Completely maintenance free and requires no electrical power, qualified for LEED points

ILLUMINATION

- Activation requires only 5 foot-candles (54 lux) of unfiltered fluorescent or LED light sources for 60 minutes (must be externally illuminated during normal building occupation)

CERTIFICATION

- Listed to UL 924, meets NFPA 101 Life Safety Code, and OSHA requirements, International Building and Fire Code 2009, 2012, 2015
- Buy American Act compliant

WARRANTY
